
Videos being the most important tool in the Digital Age. Mostly people use video for entertainment, but it can also be used as a platform to learn new skills, change careers, and even teach other people. But if your videos are public or shared with others who can view them without you knowing what happens to them, they may become vulnerable to intrusions and exploitation. Password protect video master v8.0 crack is an amazing software that allows you simply to password your videos. It password protect the video into multiple layers, so it become difficult to access your videos without knowing your password. This software also gives you the option to share videos on social networks and email. Password protect video master v8.0 crack allows you to password protect the following video formats: Video formats supported by this software are AVI,AVI(DivX5/6),AVI(MPEG1/2) ,AVI(MPEG4) ,BMP,DVR-MS,DVD-5,DVD-9/10,FLV (Flash Video),HD MOV (H.264),MOV (H. 264) HD,MKV,MOV(H.264),MP4 ,MPEG4 MPEG-1,MPEG4 MPEG-2,MPEG4 MPEG-4 H.264,MPEG4 MPEG-4 PART 15/AVC/MPEG2 ISO/DIVX. The transcoding option of this software enables you to change video formats into different video formats that are not supported by the above mentioned video formats, for example: AVCHD to AVI and MKV To MP4. With the new version 7.0 you can search for any videos from hard drive or from memory card or from network media sources and you can also save them on hard drive or on flash drive. Only the encoded videos and the encoded videos embedded in other videos will be saved to hard drive and flash drive. All other videos will be saved on-the-fly while encoding process. Password protect video master v8.0 crack gives you the ability to watch your video completely or partially while encoding, this way you will know exactly what is happening.

We received a great response from our users for this software and we are very proud of it because we believe that Password protect video master v8.0 crack allows people to take back control of their digital life and makes them feel more secure about sharing information that may potentially be viewed by others without permission and protection from intruders and thieves who may use their information for criminal activities. This software gives us the ability to take back control of our lives and enjoy the great benefits that technology has to offer, while making sure that our personal information is safe. As always, this software has been designed with security in mind, to ensure that all your personal information is completely protected. We understand how important it is not only to provide you with a great product but also to ensure your privacy. Password protect video master v8.
