(336.00 KB) S. P.B.A. Interim Report 1999-2000 pdf.doc.txt.zip (128.51 KB) Note: This is an Open Access work which means that the text is available for everyone on the Internet. You can find out more about the Creative Commons license on the Creative Commons web site: - 'What are Creative Commons Licenses?.' The Creative Commons License has two main parts, A and B. The first part of the license is A, the second part B. Part A allows people to copy, distribute, display and perform the work or make derivative works from the work. This is called the 'Non-Commercial' part. By default, my book file format (provided as a zip file) has no copyright notice or license attached. However, when you download my book and start to read it, then it is up to you to decide if you wish to continue to read it. You may want to look around the web and see if you can find other works of mine available for free. Here is a link that will take you to my web site: This book is an example of my web site. I've taken the text of my book and put it on the web. I hope this is what you're looking for. If you want to use any of the text or graphics in this book, I'm happy for you to use it as long as you provide me with a proper credit. If you want to use any of the text or graphics in this book for your own work then I would ask that you send me a note about the work. This will allow me to keep track of the works I've done and who may have been using them. I'll send you an email with a link to the work. When I'm satisfied that I've credited you correctly, I will send you the link to the work. Your use of this book is subject to the license stated at the end of this file. Yashwant K.
